The Irish Immigrant Investor Programme (IIP) offers secure Permanent Residency (PR) status in Ireland for non-European nationals who may apply for themselves, their spouse and dependent children up to 24 years of age.

Fitzwilliam Capital through our network of trusted global partners offer approved investments under the 'Enterprise Investment' and 'Endowment' options of the IIP, allowing our Investors to securely achieve their Permanent Residency (PR) status in Ireland.

Our Endowment projects are approved to all allow Investors achieve their Permanent Residency (PR) Status by donating €400,000 to projects of 'Public Good' that will significantly benefit residents of Ireland.

Our Enterprise Investment projects are unique, in that they offer property backed security to Investors, thereby securing their funds (€1m) for the 4 year investment term.
